BROWN SUGAR COFFEE ROASTERY

C A P A B I L I T I E S

Business Overview:

Brown Sugar Coffee Roastery is a woman-owned small-batch coffee company located in Riverton, WY. Since 2009, we have specialized in wellness-forward, low-acid, mold-free coffees for retail, wholesale, and government partners.

NAICS Code:

311920 – Coffee and Tea Manufacturing

Core Competencies:

- Artisan roasting of clean, low-acid, wellness-aligned coffees
- Packaging in retail-ready and bulk formats
- K-Cup and single-serve solutions for retail, hospitality, offices, and contracts
- Private label roasting and fulfillment
- Specialty coffee for government, health-focused, and supplier diversity programs

Key Equipment Capabilities:

- K-Cup Machine: Single-serve pod production with clean fill and precision sealing **(8,400 per day)**
- Vertical Fill Machine: High-speed packaging of ground or whole-bean coffee into vertical form-fill bags **(5,600 per day)**
- Semi-Automatic Bag Filler: Efficient, high-volume filling and sealing of pre-branded or private-label bags (retail-ready) **(3,600 per day)**

Differentiators:

- Clean-label, low-acid, and organic coffee offerings
- Small-batch roasted with artisan care and scalable automation
- Fast, flexible fulfillment with diverse packaging formats
- Strong alignment with wellness and sustainability initiatives
